**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Thank you for being there for us but as a consumer we support Broadband competition. We have chosen a competitive provider because of the excellent service and immediate assistance if and when we need it.

We live on a fixed income as many Americans do. WE cannot continue to receive these huge price hikes. I know everybody says they are affordable but let's be realistic. When you are on a fixed income, the words affordable are sometimes scary and just is not in the cards. What we have is pretty much what we can afford.

Thank you.
